(Circle number best representing each factor = 1 being BAD, 10 being GREAT!) Points Total: _____

Definition of Factors:

1. Appearance of Entry: How appealing the entry is to the judges-desire to dive in and taste.
2. Flavor of Entry: Taste, texture, moist/dry, freshness
3. Presentation: Judges will visit cook-sites and judge on: cleanliness, description of recipe, why entrants chose a recipe (limited to 5 minutes). This is your opportunity to sell yourself and your recipe to the judges.
4. Overall Impression: Combination of appearance, flavor, and presentation of entry.
5. Originality: Recipe itself (special rub, sauce, recipe, dish, history of recipe, etc.)
